This colour determination identifies the total risk of transmission and further spread of COVID-19 in relation to the mass gathering. The "Colour Determination" key below the decision matrix describes the total risk for each colour.

PROTECTIVE MEASURES RELATING TO COVID-19

- Upon access to the showgrounds, competitors and accompanying persons agree to comply with the following safety regulations:
- All official requirements under the current Austrian Act on Epidemics and the pertinent regulations in force at the time of the competition must be observed by all those attending! Travel to the event is subject to the rules of conduct in public and private spaces as specified by the crisis management team of the Austrian federal government: A safe distance of at least two metres from other persons must be kept.
- If required by the authorities, recent Covid-19 test results (no older than 3 days) must be provided. The instructions of security staff must be followed without exception! Failure to do so will result in expulsion.
- In all contacts with other persons, the minimum distance of 2 metres must strictly be adhered to. Persons living in a common household are not subject to this rule. Group gatherings should be avoided.
- FFP2 masks are compulsory throughout the show grounds, including the stable areas and the sanitary facilities, which may also only be accessed by persons wearing FFP2 masks. The organisers will ensure that a sufficient number of masks is available. Riders on horseback will be the only exemption to this rule.
- Sufficient quantities of hand sanitiser and disposable towels will be provided in the sanitary facilities. Washing and disinfecting hands is recommended immediately when entering the facilities, as well as regularly while on the grounds.
- Time spent in the stable areas is restricted to a minimum (the time required to feed and prepare the horses). Moreover, it is important to note that the minimum distance from other persons of 2 metres must also be observed here.
- The entries office must not be accessed. In exceptional cases, it will be possible to speak to the persons in the entries office behind a protective pane. All necessary information may be obtained by phone or online.
- Participants attend at their own risk and on their own responsibility. The OC will assume no liability. Competitors will be personally responsible for any and all damage to third parties caused by themselves, their employees or their horses.
- Third-party liability insurance must be in place for each horse in the competition and proof thereof must be furnished, if necessary.
- Dogs must be kept on a leash on the entire show grounds.

- Upon entering the show grounds, all competitors and accompanying persons give their consent to their data being collected, processed and forwarded in accordance with the General Data Protection Regulation (GDPR); likewise, they consent to the processing of images, including acoustic information.
- Persons who feel ill or show signs and symptoms of illness must refrain from entering the showground. GENERAL RULES - Wash your hands frequently! Regularly and thoroughly wash your hands with soap or clean them with disinfectant. - Keep your distance! Maintain at least 2 metres (6 feet) distance between yourself and all other persons who are coughing or sneezing - Do not touch eyes, nose and mouth! Hands can pick up viruses and transfer the virus to your face! - Practice respiratory hygiene! Cover your mouth and nose with your bent elbow or tissue when you cough or sneeze.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>
